

# Donation Request Form

At Yo Mama! Frozen Yogurt and Goodies we take pride in the support of charitable organizations in the communities where we live and serve with our time, resources and volunteers. Although we give extensively, most of our funds are committed. We require certain information in order to evaluate any donation request and only accept requests that have successfully completed our Donation Request form.

We support charities that benefit children, education, and needy families. We do not provide funding to individuals, corporate requests for non-profit charity events, religious organizations, sporting events, and parties.

If you believe your request meets our giving guidelines, fill out this form making sure that all questions are answered. Incomplete requests with missing criteria will not be considered. Donation requests that meet our guidelines may be denied based on funding availability.

\* All donation requests must be submitted in person at least 30 days prior to the date needed. Yo Mama! will not accept requests submitted via standard mail or fax.

\*\* If your request is approved, we'll contact you via email within 21 days.
